

**HERITAGE HILLS HIGH SCHOOL
ADVANCED PLACEMENT COURSES**

Advanced Placement (AP) tests are offered to high school students through the College Board. Students will be able to earn college credit and/or course equivalencies with a sufficient score on an AP exam. High school students take AP classes to prepare for the exams, as well as to earn high school credit. All two and four-year Indiana public colleges and universities award college credit that count toward a degree for scores of 3 or higher. More information is at: <https://apstudent.collegeboard.org>

Advanced placement courses for 2016-2017 are:

AP Calculus
AP Language and Composition
AP Literature and Composition
AP Physics I
AP Physics II
AP German Language and Culture
